

ABM Direct Deposit
Simple. Safe. Secure.

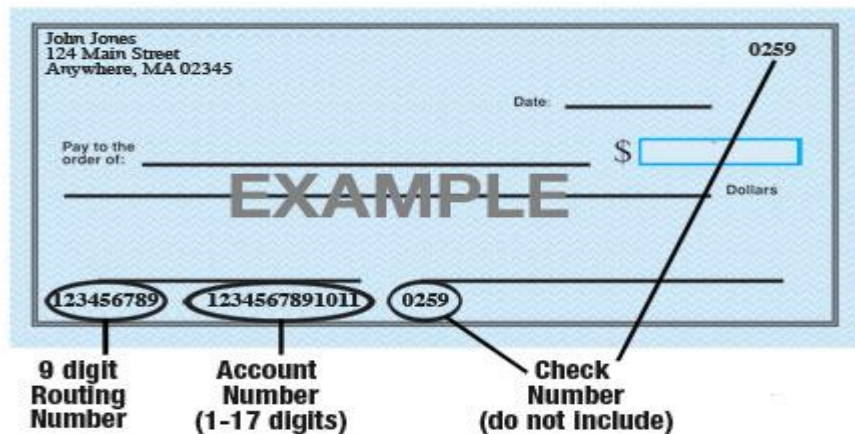

ABM is encouraging staff and management employees to convert to direct deposit. As you are aware, we have partnered with several banks through a "Bank at Work" program to offer attractive benefits for signing up for direct deposit. To sign up, please read below, complete the required information and return this form to your local HR office, or scan and email to godirect@abm.com. Once this form is completed and entered by ABM HR, you will receive one final paper check (to test the account numbers) and then your pay will convert to direct deposit on the following pay period.

Enjoy the Advantages of Direct Deposit at ABM:

- ✓ Direct deposit transactions are fast, reliable, and safe.
- ✓ You can control where and how much money goes into your various bank accounts.
- ✓ Having your check deposited directly saves you the trouble of going to the bank and standing in line.
- ✓ Save money-you won't be tempted to make a withdrawal simply because you're already at the bank to make a deposit.
- ✓ You don't have to make special arrangements to get your paycheck if you're out sick or on vacation on payday.
- ✓ Since there's no paperwork, your paycheck can't get lost or stolen.
- ✓ You'll often receive the money faster this way, too, since you won't have to wait for the check to clear.
- ✓ Direct deposit eliminates expensive check cashing fees.
